How to Obtain Non-electronic Forms

2014-04-18

Most DLA forms are electronic; even forms that are not fillable can usually be downloaded and printed locally from our online inventory. However, some forms are not available for download and must be ordered and shipped. Each form has a "How to Obtain" section on its information page.

Most non-electronic forms can be ordered the DLA Document Services, which also happens to host the Naval Forms Online. The link below takes you directly to DLA Document Services. Feel free to contact the forms management team for any questions.
